

FINAL PROJECT

OUTPUT:

ROLE:Customer

The image shows a web application interface for a vegetable store. The background is a vibrant photograph of various fresh vegetables like spinach, tomatoes, and mushrooms. A green navigation bar at the top contains the text 'OrganicStore', 'Shop', and 'My Orders' on the left, and 'Hi, Cart (1)' and a 'Logout' button on the right. A semi-transparent dark grey modal box is centered on the screen, titled 'Register' in a large, bold, black font. Inside the modal, there are four input fields: 'Name' with the value 'Customer', 'Email' with 'customer@gmail.com', 'Password' with a masked password '*****', and a 'Role' dropdown menu currently set to 'Customer'. At the bottom of the modal is a 'Create account' button.

Create account

This image shows the same web application interface as the first one, but with a 'Login' modal box. The green navigation bar is identical. The modal box is titled 'Login' in a large, bold, black font. It contains two input fields: 'Email' with 'customer@gmail.com' and 'Password' with a masked password '*****'. Below these fields are two buttons: a green 'Login' button and a 'Create an account' link in a smaller, lighter font.
